

COVID-19 SCREENINGS - Protect Yourself, Protect Your Organization

DXP IPS continues to provide critical and essential services through the COVID-19 outbreak. The safety and well-being of our employees, clients and contractors remains of utmost importance. In order to improve confidence that there is a low risk of infection for people while working at worksites, we are implementing pre-entry questioning and where equipment is available, personal temperature screening.

IPS PROVIDES

- ▶ On-site screening
- ▶ Infra-red cameras reading
- ▶ No contact temperature reading
- ▶ COVID 19 Rapid Test (Pending Health Canada approval)
- ▶ Patient transport
- ▶ Pre-access screening
