

At IPS we are proud to employ bright, skilled EMR, EMT, and Paramedics as part of our IPS team. Staff are trained to respond to medical emergencies quickly and carefully, and know how to critically evaluate situations.

Services include

- Medical care ranging from Registered advanced first aiders to advanced life support to nurses and physicians
- On-site medical personnel and equipment for remote locations and high-hazard worksites
- On-site first aid rooms and clinics
- A complement of certified medical attendants
- Rapid response for industrial disasters (e.g. fires, rescues, etc.)

Personnel We Provide

In compliance with provincial and/or territorial standards.

- Full Face
- Half Mark
- N95 Testing

Equipment We Provide

- Audiograms for baseline, annual and bi-annual testing.
- All tests conducted by certified audiology technicians and when required, results are interpreted by audiologists and/or by physicians.

At IPS we are proud of our reputation as industry leaders in the energy sector.

IPS management and our team of medical specialists have over 100 years of combined experience in Western Canada as leaders in oil, gas, and other applied industries.

As part of our comprehensive service offerings, we provide Clinic Services, Industrial Health Services, and Industrial Paramedic Services across many industries. Including:

- Facility & Refinery Maintenance
- Construction
- Power Generation
- Drilling
- Completion & Production
- Oil Sand & Heavy Oil
